Regarding: 13th World Congress of Performance Analysis of
Sport, September 01st -04th 2020, Vienna

Vienna, September 27.05.2020

Dear Partners, Colleagues and Friends,

We hope that you and your families are keeping safe during these challenging times.

In the context of the current health crisis and keeping in mind the safety of our participants and staff, the organizational committee of the World Congress of Performance Analysis of Sport 2020 regret to announce that the congress planned for 01 – 04 September 2020 will be postponed until 2021. The venue for the congress will still be Vienna and is now scheduled for 29 August – 01 September 2021. By implement this delay, we will be minimising health risks and avoiding the current travel restrictions thereby maintaining the high standard and quality of the congress.

We would like to thank all participants, authors and contributors for the support we received in 2020. We would like to use this postponement as an opportunity to widen our outreach and presence in the field of performance analysis.

The WCPAS organizing committee is grateful for your ongoing support and understanding regarding these unforeseeable circumstances and we look forward to meeting you all in Vienna in 2021. All further information regarding the new dates and deadlines will be available on our website (<https://ispas2020.univie.ac.at/>). In the meantime, if you have any further questions please do not hesitate to contact us directly.

Yours sincerely,

Univ.Prof.DI/Dr. Arnold Baca
